DIGITAL
Porcelain Tiles

COLOR STUDIO

For the first time, Porcelain Tiles opens the doors to colour, refined and soft hues inspired by natural elements, and which at the same time perfectly fit in with other materials in the range.

Naturally desaturated, Many colours in the collection create a true colour system that lets you coordinate shades in different ways, as the warm and cold nuances complement each other perfectly, without looking forced. The textured and matt surface also comes to life in the light, with a soft glow that livens the material, making it unique and unconventional.
